

(Customers are lined up outside the doors in both directions, excitedly anticipating the opening of the App Factory. App Factory APPsociates are busily powering up computer screens, getting on their special lanyards, practicing games, and preparing for the onslaught of customers about to come through the door.)

(music begins to “All in a Day’s Work”)

(dialog 1 over beginning)

ANNOUNCER: **Attention App Factory APPsociates, we’re opening our doors in two minutes for another exciting day. Get ready to game!**

KRISTIN: *(walking in with Solomon)* **There is so much on your agenda today, Solomon.**

SOLOMON: **What have we got, Kristin?**

KRISTIN: **Well, your creativity is requested in software engineering ... Oh, and you were supposed to have a meeting with the GPS designers, but they got lost again. We’ll have to reschedule.**

SOLOMON: **Oh, what’s new?**

KRISTIN: **New? Well, there’s a new cowboy game, a new circus game ...**

SOLOMON: *(interrupting)* **No, no, no, that was a rhetorical question. No worries, it’s all in a day’s work!**

(dialog 2 during meas. 35)

KRISTIN: *(answering the phone)* **Hello. Yes, yes, oh thank you very much. We’ll be in touch.**

SOLOMON: **Was that call for me?**

KRISTIN: **Of course. You got 464 phone calls yesterday. Everybody has an idea for an app. And half of them were from your mother!**

SOLOMON: **My mother! Is everything alright?!**

KRISTIN: **Oh, she’s fine. She has ideas for apps too!**

SOLOMON: **Did you tell her there’s already an app for Sudoku?**

KRISTIN: **Every time she called. It’s all in a day’s work!**

Well it's all in a day's work, time for creating
Anticipating all the world needs
Well it's all in a day's work, research and ratings
Meetings debating what we sell teens
Right here at The App Factory
We've got an app for ev'rything
Some think we're being absurd
But it's all in a day's work

bridge

Our work is never done
While kids have all the fun
With all the apps that money can buy
But surely there is one
One app we've just begun
That teaches truth about life, real life

chorus

Well it's all in a day's work, time for creating

Scene 1

CLAIRE: **Look, we're the first in the door!**

MORGAN: **I APPsolutely love this place! Every APP imaginable, all right here to test out.**

JOSH: **Aw, Mom. Can you give me a break? I don't want everybody seeing my mother drop me off!**

JOSH'S MOM: **Here, sweetheart ... (*Josh twists away, embarrassed*) ... here's your phone ... oh, where are my car keys? (*fumbles with her purse*) Hold this for a minute (*hands him her phone*) ... okay, (*takes his phone, leaves hers*) we're all set. Just call Dad when you're ready to be picked up. And, have fun with your friends. Love you!**

(walks away to J.T., embarrassed)

J.T.: *(looking around at apps on display)* **Look at that Ingenious APP station! That's the new Football Fantasy 10. That isn't even out yet!**

JOSH: **Ah, I've got it in beta. I beat it in no time. I dominate every game I play.**

MORGAN: **It is APParent that your APPreciation of your own APPtitudes are quite APPsurd.**

JOSH: *(aside)* **"APPsurd?" Is that even a word?**

CLAIRE: **So, how does this place work? I've always just downloaded apps on my phone.**

MORGAN: **Oh, this place is the *best*. Inside the App Factory you can try any app ever created for free at any Ingenious App Station.**

J.T.: **I can't wait to try out The Ancient Lands and Barbarian's Quest.**

CLAIRE: **Or Color World, or Hidden Talents!**

JOSH: **Man, I wish I could work in a place like this. I'd be an expert at every game. *(revealingly, to the side)* I think I'm better at apps than at real life.**

J.T.: **Maybe you should work back there. *(points ominously)***

CLAIRE: **What's back there?**

J.T.: **That's the Lab, where all the apps are designed and built. But, they don't let anybody back there. It's top secret. *(says it mysteriously)***

MORGAN: **Confidential and un-APProachable!**

(music begins to "We've Gotta Get An App for That")

JOSH: **That is *totally* where I should work, then. I'm always dreaming up new apps. Everywhere. All the time.**

SONG: "WE'VE GOTTA GET AN APP FOR THAT"

SONG 2: WE'VE GOTTA GET AN APP FOR THAT

verse 1

I took a picture of the food I ate
Somebody said, that should be a game
Where the chicken tenders rise up and take on the cake
The fries chase the veg'tables off the plate
Then the ketchup starts growing
The mustard starts glowing
Next thing you know, food fight
We've gotta get an app for that

chorus

We've gotta get an app for that
Yeah, that's something that we all should have
Well, have you ever seen something so right, right?
We've gotta get an app for that, oh yeah
We've gotta get an app for that

verse 2

I was sittin' in class the other day
Somebody said, this should be a game
Every time the teacher says "gimme a break"
The room gets darker and starts to shake
Then the walls start shrinking
The lights start blinking
And crashing through the door comes, zombies
We've gotta get an app for that

chorus

We've gotta get an app for that
Yeah, that's something that we all should have
Well, have you ever seen something so right, right?
We've gotta get an app for that, oh yeah
We've gotta get an app for that

bridge

Oh, it's just another idea
So many ideas ev'ryday here
No way we could get to each one
(solo 1 spoken) But the one that can send me back in time
(solo 2 spoken) Or the one that does my homework ev'ry night
(solo 1 spoken) Oh yeah, we've totally gotta get an app for that

chorus

We've gotta get an app for that
Yeah, that's something that we all should have
Well, have you ever seen something so right, right?
We've gotta get an app for that, oh yeah
We've gotta get an app for that, oh yeah
(spoken) We've gotta get an app for that

MORGAN: **Yes! Let's hurry! What an APPportunity!**

JOSH: *(suddenly realizing a problem)* **Wait! Oh no, I can't believe it! I've got my mom's phone. She must have mine!**

J.T.: **Don't worry about it! Just send that text so you can get into the Lab!**

CLAIRE: **Oh great, my profile picture is the one from the park and my hair was such a mess!**

JOSH: **There's no time to change it! This isn't a beauty contest, Claire, it's a race against the clock. Text!**

ANNOUNCER: **We're receiving your texts, and our first lucky winner is ...**
(picture with wild hair) **Claire, you are invited!**

(There is applause after each invite.)

CLAIRE: **Great. I look hideous!**

ANNOUNCER: **Your texts are still coming in and we have another winner. Morgan, you have been APPROVED. Please APPROACH the Lab entrance.**

(applause)

MORGAN: **Thank you very much! I love APPLAUSE!**

ANNOUNCER: **Our next winner is J.T.! Come on down and join the others.**

(applause)

J.T.: **Oh, yeah! Excuse me, coming through.**

ANNOUNCER: **And our last lucky winner is ... Mrs. Worley. *(picture of Josh and his mom)***

(applause and laughter)

JOSH: **How embarrassing! *(explaining)* See ... it's because of my Mom's phone ... oh, nevermind.**

ANNOUNCER: **For everyone else, enjoy your day of gaming at the App Factory, where it's always game on!**

(The Kids are now at the Lab entrance in the middle of the stage.)

AARON: **Welcome to the top-secret App Factory Lab. I'm Solomon's APPrentice, Aaron.**

AVERY: **And I'm his APPrentice, Avery.**

AARON: **We work every day with Solomon, the ingenious founder and head game designer at the App Factory.**

AVERY: **Please come with us and we'll take you to the Lab to meet Solomon and begin your adventure.**

SFX #1: Lab Opening

(They walk through a doorway that separates and turns around. The stations disappear behind the wall and new set pieces are put in place to create the Lab.)

- SOLOMON: **Hello gamers, welcome to the inner workings of the App Factory. My name is Solomon.**
- CLAIRE: **Solomon? That's not a name you hear everyday.**
- SOLOMON: **My parents named me Solomon because they wanted me to be wise like Solomon in the Bible.**
- J.T.: **It must have worked because everyone knows you're the greatest App designer ever.**
- SOLOMON: **Today I'm going to show you what I'm currently working on ... the most important app I've ever created. But first, my APPrentices, Aaron and Avery are going to get you scanned in so rather than just playing the game, you'll actually get *into* the game.**
- JOSH: **Get into the game? That's way cool!**
- (music begins to "You Know Me")*
- AVERY: **These scanners are going to create a virtual twin of you that will actually play the game.**
- MORGAN: **You mean it will look like me and move like me?**
- AARON: **That's right. We're designing this app so that every person who plays it gets scanned into the games. Each challenger in the game is unique.**
- SOLOMON: **Yes, just as each of you is a unique creation, formed by God Himself. And because He made you, He knows you. In fact, He knew you even before you were born. And He not only knows everything about your past, He knows everything about your future.**

SONG: "YOU KNOW ME"

SONG 3: YOU KNOW ME

verse 1

All my days were ordained for me
Written in Your book before they came to be
For You alone, Lord, will I sing praise
Because I'm fearfully and wonderf'ly made
I am fearfully and wonderf'ly made

chorus

You know me, inside and out
You know me, without a doubt
You've searched me and You know me
Completely, so perfectly
You know me, (shouted) You know me

verse 2

I'm Your creation, Yours alone
Woven together I'm body and soul
Before I speak You know what I'll say
You are familiar with all my ways
You are familiar with all my ways

chorus

You know me, inside and out
You know me, without a doubt
You've searched me and You know me
Completely, so perfectly
You know me, (shouted) You know me

(Scanning)

chorus

You know me, inside and out
You know me, without a doubt
You've searched me and You know me
Completely, so perfectly
You know me, (shouted) You know me

Scene 3

ALL KIDS: *(Wow! Cool! This is awesome, etc.)*

SOLOMON: **So God knows you. And He made you with an incredible purpose in mind, that you would know Him. That's why I am anxious to show you the most important app I've ever created: iAM.**

(all remain quiet for a few seconds, then look at each other)

J.T.: **You are ... what?**

SOLOMON: **iAM is not a "what," but a "who."**

MORGAN: **Okay, but ... you said "iAM." Does that mean you are iAM?**

SOLOMON: **No, I am not. But I know I AM.**

CLAIRE: **You know you are?**

SOLOMON: **No. I know I AM. *(all are totally confused)* In fact, that's why I've invited you in the Lab today, so you can actually experience the "iAM" app. It isn't finished yet, and I'm hoping you will help me test it out! And that my new app will become a great way for lots of people to know I AM!**

ALL KIDS: *(Awesome, Oh, yeah, I'm in!, etc.)*

SOLOMON: **How about I let my APPrentices tell you all about ... I AM.**

SONG: "THIS IS MY NAME"

SONG 4: THIS IS MY NAME

verse 1 dialog

The Lord called to Moses from inside a burning bush
God said to Moses, "Do not come any closer
Remove your sandals, for the place you are standing is holy ground

I am the God your fathers, the God of Abraham, Isaac and Jacob
I have heard the cry of the Israelites
So now, go. I am sending you to Pharaoh to get My people out"

chorus

This is My name, I AM

Forever the same, I AM
The name you will call Me
Through all generations
This is My name, I AM
Forever the same, I AM
The God of your fathers
The God of Abraham
I AM

verse 2 dialog

Moses said, “Suppose I go to the Israelites and say
‘The God of your fathers has sent me to you’
And they ask me, ‘What is his name?’ Then what shall I tell them?”

And God said to Moses, “I AM WHO I AM
Say, ‘I AM has sent me to you
This is my name forever, the name by which I am to be remembered
From generation to generation”

chorus

This is My name, I AM
Forever the same, I AM
The name you will call Me
Through all generations
This is My name, I AM
Forever the same, I AM
The God of your fathers
The God of Abraham
I AM, I AM, I AM

Scene 4

CLAIRE: **I have to admit, I AM is some strange name.**

J.T.: **I don't know anything about God, so I don't think I'm going to be very good at this game.**

SOLOMON: **That's just it, J.T., the new app I'm creating is not for people who know everything about I AM, it's for people who want to *know* I AM.**

MORGAN: **But what does that name even mean?**

SOLOMON: **When God says to us that He is I AM, He is telling us that that He simply is ... He always has been. He wasn't created by anything or anyone else. He is the one who created everything.**

22/71

SFX #2: Serious Powers Up

(Serious is standing to the side, frozen like a mannequin, but now "awakes" and moves forward.)

SERIOUS: **Genesis 1:1, "In the beginning God created the heavens and the earth."**

JOSH: **Woah, who's that?**

SOLOMON: **Everyone, this is Serious.**

MORGAN: **Seriously?**

SOLOMON: **Yes! We call her Serious because she is seriously smart.**

CLAIRE: **How'd she get so smart?**

SOLOMON: **Well, the best thing about Serious is that she has the entire Bible ... God's truth ... stored in her memory, and she's programmed to always search there for the answers.**

SERIOUS: **Genesis 1:2, "The earth was formless and empty, and darkness covered the deep waters."**

23/72

SFX #3: Lab Powers Down

(the lights go out)

J.T.: **Hey, it's dark in here!**

AARON: **To boot the iAM game, we have to power down the entire Lab and cool the energy source for a few seconds.**

CLAIRE: **Well, I can't see anything.**

SERIOUS: **Genesis 1:3, “And God said, ‘Let there be light,’ and there was light.”**

(pause as they wait, hoping lights will come on)

MORGAN: **Uh ... so, where’s the light?**

SFX #4: Game Powers Up

CLAIRE: **Ahhh, that’s more like it!**

SOLOMON: **I guess we’ve already learned something important about I AM. Thank you, Serious, for your references. I AM is the one who shines light into the darkness of the world, and into the darkness of our lives, and even into the darkness of our hearts.**

SERIOUS: **Psalm 27:1, “The Lord is my Light and my salvation. Whom shall I fear? The Lord is the stronghold of my life; of whom shall I be afraid?”**

AVERY: **I hear another name for God in there, Serious. In Hebrew, it would be Jehovah-ori which means, “The Lord is my Light.”**

CLAIRE: **Wait a minute. What do you mean *another* name. You mean I AM has more than one name?**

SOLOMON: **Yes, He does. But really, they are all part of the same name. And every one of them just tells us more about Him.**

AVERY: **All of us get called more than one name. Your name is Claire but you also are called “sister” by your sibling, and “BFF” by your friends.**

AARON: **Those are different names for you that tell us something else about who you are and what you do.**

SOLOMON: **In fact, let’s try something ... who has a phone? *(they all pull them out immediately)* Earlier, you texted to get into the Lab. I’m going to text you back, but I’ll use my email name.**

MORGAN: **Hey, I just got a text from headhoncho@theappfactory.**

JOSH: **Yep. And it looks like my mom just got a text from my history teacher, Mr. Blackwell, to let her know that I wasn't in class on Friday. I think I'll just delete that one ...**

SOLOMON: **So what does that name, headhoncho@theappfactory, tell you about me?**

MORGAN: **That you work at the App Factory.**

CLAIRE: **And that you're the boss.**

SOLOMON: **Exactly! As we learn more of God's names in the Bible, we learn more about Him. Let's play one of the games in the app called, "Jehovah Jumble," and you'll get an idea of what I mean.**

(music begins to "Jehovah")

AARON: **For this game, you're all gonna need to work together to unscramble more of God's names.**

KIDS: *(hands together in a circle)* **Game on!**

("Jehovah Jumble Game": During the song the kids place letters on poles that spell out the eight different Jehovah names. Or kids can have letters on their shirts and the players rearrange the kids to spell the names.)

SONG: "JEHOVAH"

SONG 5: JEHOVAH

chorus

Jehovah, Jehovah our God
Our God is all that we need
Jehovah, Jehovah our God
Our God is all that we need
Oh, Jehovah, (shouted) Jehovah
Oh, Jehovah, (shouted) Jehovah

verse 1

When we're in need our Lord provides
When we are sick He brings relief

When we're alone our Lord is near
When we're afraid our Lord is peace

pre-chorus

Everything we need our God is
Our God is

chorus

Jehovah, Jehovah our God
Our God is all that we need
Jehovah, Jehovah our God
Our God is all that we need
Oh, Jehovah, (shouted) Jehovah
Oh, Jehovah, (shouted) Jehovah

verse 2

When we are lost our Lord will find us
When we're in battle He's our victory
When we believe He's our righteousness
When we're in sin He sets us free

pre-chorus

Everything we need our God is
Our God is

chorus 2

Jehovah-jireh will provide
Jehovah-rophi, brings relief
Jehovah-shammah, our Lord is near
Jehovah-shalom, He is our peace
Jehovah-rohi, our Lord will find us
Jehovah-nissi, our victory
Jehovah-tsidkenu, our righteousness
Jehovah-M'Kaddesh, has set us free

chorus

Jehovah, Jehovah our God
Our God is all that we need
Jehovah, Jehovah our God
Our God is all that we need
Oh, Jehovah, (shouted) Jehovah
Oh, Jehovah, (shouted) Jehovah

Scene 5

- JOSH: **Good thing I'm so good at word games. That was a lot of letters to unscramble!**
- SOLOMON: **But did you catch all the *amazing* things God tells us about Himself through those names in the Old Testament?**
- CLAIRE: **I've heard some of those before, but I didn't really know they meant something special.**
- (Kristin steps into the Lab.)*
- KRISTIN: **Sorry to interrupt Solomon, but your Mother's on the phone ... again! She said it's urgent! She's having problems on the computer ... again.**
- SOLOMON: **Uh, Kristin, maybe you could ...**
- KRISTIN: **Un-uh ... yesterday I was on the phone for an hour trying to explain how to export a photo from eyePicture so she could put it on her FaceBoard page.**
- SOLOMON: **I'll give you a raise?**
- KRISTIN: **Nope!**
- SOLOMON: *(in a resigned voice)* **Okay, tell her I'll call her in a few minutes. *(Kristin nods and leaves)* Kids, just a word of advice, never buy your 80 year-old Mom a new computer. The questions never cease! Okay, sorry, where were we? Oh yes, God's names in the Old Testament and what they tell us.**
- AVERY: **When we feel alone and we remember His name, Jehovah-shammah, the Lord is near, we realize we're not really alone.**
- AARON: **When we feel confused, and we remember His name, Jehovah-shalom, the Lord is peace, we can be at peace.**
- SOLOMON: **And when we feel tempted to do what we know is wrong, we need to remember the name revealed in the next game.**
- JOSH: **What name is that? *(acting embarrassed that he seemed to anxious)* Uh, not that I'm ever really tempted to do anything wrong, of course.**

- SOLOMON: **Oh, we're all tempted, Josh! When we're tempted to do wrong and we remember Jehovah-nissi, the Lord our Banner, we remember that I AM shows us the way to overcome evil.**
- J.T.: **Overcoming evil. Now that sounds like a wicked cool game!**
- JOSH: **Let me at it too! What is it?**
- AARON: **I'm guessing you like games with battles to fight and enemies to conquer?**
- J.T. & JOSH: *(Of course! You bet!)*
- AVERY: **Alright then. Get ready for "Amalekites Attack!" In this battle, the Amalekites attack the Israelites. Moses is up there on a high rock, holding his staff. As long as his hands stay up in the air, the Israelites will win, but whenever he drops his hands, the Amalekites will win.**
- AARON: **You have until the sun sets to keep sending in support just when Moses needs it. Now, you only have two supporters, Aaron and Hur, who can make it up the hill to help Moses. So you've got to know just when to send them! Are you ready?**
- (music begins to "The Lord My Banner")*
- ALL KIDS: **Game On!**

SONG 6: "THE LORD MY BANNER"

("Amalekites Attack Game": The Israelite army, led by Joshua--who has one color banner going into war--seek to kill as many Amalekites--who have another color banner--through sword-play while Moses holds his staff--which is his banner--and has his hands up in the air. Players send helpers to lift up Moses' hands when they are almost down and toss swords to Israelite soldiers to defend themselves. When Moses' hands are down, the Amalekites are winning--pushing back the Israelite army, and when his hands go up, the Israelites become dominant--pushing back in the other direction. At the end of the game, a banner unfurls from Moses' staff, "The Lord is My Banner.")

(Different kids send Aaron and Hur to help keep Moses' arms up. When they start to lose, they realize they need to send help, then they hurriedly help raise his hands again.)

SONG 6: THE LORD MY BANNER

intro

Woah, woah
Woah, woah
Woah, woah
The Lord my Banner will deliver me

No matter when the battle's raging
I call out to my Lord and He will hear
When the darkness is overwhelming
When the doubts and fears surround me
I call out to my Lord and He will hear

chorus

Woah, woah, the Lord my Banner will deliver me
Woah, woah, my rock, my refuge and my strength
Woah, woah, my salvation from the enemy
Woah, woah, the Lord my Banner will deliver me

verse 2

In His name, no power can harm me
In His name, I have the vict'ry
I will sing the praises of His name
My Banner, my Deliverer
My Savior, my Redeemer
I will sing the praises of His name

Woah, woah, the Lord my Banner will deliver me
Woah, woah, my rock, my refuge and my strength
Woah, woah, my salvation from the enemy
Woah, woah, the Lord my Banner will deliver me

Woah, woah, my rock, my refuge and my strength
Woah, woah, my salvation from the enemy
Woah, woah, the Lord my Banner will
The Lord my Banner will, He will deliver me

Scene 6

J.T.: Man, that was fun! I hope you have some more games in the iAM app for us to try.

AARON: Oh, there are a lot more, some still in development. In fact, we were just getting ready to load the data for a new game.

EVERY: Serious, why don't you load the data on all the screens in the App Factory so that everyone can read it together?

SERIOUS: Psalm 23, loading now.

SFX #5: Upload Psalm 23 and Underscore

(The Kids and the Choir recite Psalm 23.)

ALL KIDS: The Lord is my shepherd;
I shall not want.
He makes me to lie down in green pastures;
He leads me beside the still waters.
He restores my soul;
He leads me in the paths of righteousness
For His name's sake.
Yea, though I walk through the valley of the
shadow of death,
I will fear no evil;
For You are with me;
Your rod and Your staff, they comfort me.
You prepare a table before me in the
presence of my enemies;
You anoint my head with oil;
My cup runs over.
Surely goodness and mercy shall follow me
All the days of my life;
And I will dwell in the house of the Lord forever.

EVERY: Morgan, did you hear the name for God revealed in Psalm 23?

MORGAN: Yes! The Lord is my shepherd. I think I'm getting it, Solomon. God helps us know who He is by telling us all of His different names.

- SOLOMON: **APPsolutely ... I mean, absolutely, Morgan. That's why I'm thinking that when I get my new iAM app finished and out in the market, everybody who downloads it will finally be able to know everything they need to know about God.**
- AVERY: *(cautiously)* **Well, Mr. Solomon, we've been meaning to talk to you about that ...**
- AARON: **We have a concern.**
- SOLOMON: **What is it? You know that any question is allowed here in the Lab.**
- AVERY: **We *love* the iAM app so far. Just look at all we've discovered about the names of God, and what that shows us about Him! Serious, what does Jesus say in John 17:26?**
- SERIOUS: **In John 17:26, Jesus said, "I made known to them your name, and I will continue to make it known."**
- SOLOMON: **Yes ... and?**
- AVERY: **The most important things about I AM can't be taught in an app.**
- AARON: **Or even experienced by getting scanned into the game!**
- SOLOMON: **I think I see what you're saying. Knowing all about God is one thing, but knowing Him ... in real life ... is something *very* different!**
- AVERY: **That's it, Solomon! We just read in Psalm 23 that the Lord is our shepherd. But when Jesus came to earth, He said ... well, Serious, what did He say?**
- SERIOUS: **In John 10:11, Jesus said, "I am the Good Shepherd; I know my own sheep, and they know me. The Good Shepherd sacrifices his life for the sheep."**
- SOLOMON: **That's right. We have a Good Shepherd ... Jesus, God's Son ... who not only looks after us, but was willing to die so that we could live!**
- J.T.: **Why would He do that?**

- MORGAN: **Jesus came and offered Himself as a sacrifice for sin. All of us are sinners.**
- JOSH: **That's right. We've offended I AM by not loving and obeying Him. That's what it means to sin.**
- SOLOMON: **But maybe you've never even realized you're a sinner.**
- J.T.: **Well, I know I don't always do the right thing.**
- SOLOMON: **Because we are *all* sinners, either we are going to have to pay for our own sin, or we put our faith in Jesus, believing that He has paid for our sin.**
- SERIOUS: **2 Corinthians 5:21, "Christ didn't have any sin. But God made him become sin for us. So we can be made right with God because of what Christ has done for us."**
- J.T.: ***(sincerely)* I want that. I want to know a God who would do that.**
- CLAIRE: **J.T., Jesus died on the cross for your sins, to take the punishment for your sins, so that you could *know* God ... not just know *about* Him in an app.**
- SOLOMON: **That's right Claire, when we trust in Jesus we become His. We can talk to Him, and know that He's always with us.**
- J.T.: **Like His sheep! He watches over us and leads us as a Good Shepherd!**
- (music begins to "I Am I AM")***
- SOLOMON: **I couldn't have said it better myself. He's the Good Shepherd and *so* much more!**

Scene 7

SOLOMON: **I suppose its time for your App Factory Lab adventure to come to a close. But I hope it's really only the beginning for you guys, only the beginning of getting to know I AM.**

SERIOUS: **And can I just say, even though I'm programmed with all the information there is to know about God from the Bible, I can not know Him like you guys can.**

(Serious looks sad and drops her head slightly.)

AVERY: **That's right, because we are made in His image, we can know Him, not just with our minds, but with our hearts.**

AARON: **In fact that's what we were made for. That's what real life is all about ... knowing and loving I AM.**

SOLOMON: **I think I've learned more than anybody today! Apps are awesome, but they are nothing compared to real life, where we can know Jesus.**

(thinking) **Hey, now I know what the last level of the iAM app needs to be. It has to be, "put down your app, and get out there and live the real life with Jesus!"**
